WILD DEUCE RETREATS & OUTFITTING

July 2010

- July 2-4 (3 Day) Mountain Round Pen & Ride **Only 5 Spots Left!**
Our only mountain clinic of the year! Expose your horse to a clinic held at our mountain base camp. On day one we will professionally round pen your horse, and give you the opportunity to ask any questions. On day two, you get in the round pen and give it a go! On day three we'll finish up any round pen work, and then head to the trail to put it all into practice. Note: you must be able to walk-trot-canter comfortably on your horse. If we don't think your horse will be safe on the trail – we'll set you up with a Wild Deuce horse so you can participate in the trail portion of the course.
